Hannah, Mary and Elizabeth

Three people who show prayer, courage and care

HANNAH

Hannah carried deep sadness and told God honestly how she felt.

She reminds us that prayer does not mean pretending everything is fine.

We can bring sadness, anger, questions and hope to God.

MARY

Mary was young when news changed her life.

She found courage to respond and reminds us that young people's voices matter.

ELIZABETH

Elizabeth welcomed Mary, listened and gave her a safe place.

She reminds us that caring people can help others feel heard and stronger.

FAMILY PRAYER

Loving God, thank you for people around the world who pray and work for peace.

Help us to listen carefully, care courageously and notice when something is unfair.

Show us how our prayers can become actions.

Help us to pray together, care together and work together for peace and justice. Amen.

Together we pray. Together we care. Together we work for peace and justice.
